

CANAL DE LA GARONNE BY BIKE - FROM BORDEAUX TO TOULOUSE

Self guided itinerant cycling holiday

This cycling holiday along the Canal de Garonne is the first part of the route known as "Le Canal des deux mers" or the "Canal of the two seas". From Bordeaux to Toulouse by bike, the trip takes you to the very heart of south'west France. The route is very easy, entirely along well maintained cycle paths. You cross landscapes reminiscent of Tuscany, where fruit trees, vines, abbeys and peaceful villages await. Each evening, our selection of B&Bs with swimming pools will allow you to relax and unwind after your day's activities.

6 days from €540 / pers.

ITINERARY

DAY 1: VISIT BORDEAUX

Arrival in Bordeaux

Arrival at your charming B&B which is ideally located near to the train station, "St Jean de Bordeaux" or the city center. Your host will know just how to advise you on the sites to visit, activities and the restaurants which are not to be missed! Your bikes will be available from 19h00 for an evening bike tour if you feel like it.

Night in Bordeaux with dinner of your own choice.

DAY 2: LE CANAL DE LA GARONNE FROM BORDEAUX TO BELLEFOND/ FRONTENAC

Distance: 45km

You begin by cycling alongside the Garonne river from where you can admire the attractive facades of the buildings here in the capital of the Gironde 'departement'. The landscape then becomes more varied, changing between wooded valleys, fortified hamlets and small chateaux and - of course - Bordeaux vineyards!

Night in Bellefond or Frontenac.

DAY 3: LE CANAL DE LA GARONNE FROM BELLEFOND TO CAUMONT SUR GARONNE / LE MAS D'AGENAIS

Distance: 52km

Today's route begins on quiet lanes across bucolic landscapes of vines and forests. You then rejoin the Canal de Garonne with its locks and lively marinas interspersed with tranquil stretches lined with plane trees.

Night in Caumont sur Garonne or Le Mas d'Agenais

DAY 4: LE CANAL DE LA GARONNE BY BIKE FROM CAUMONT SUR GARONNE TO SÉRIGNAC SUR GARONNE

Distance : 44km

This morning you go through 'Mas d'Agenais, a peaceful, pretty village and ancient Roman settlement, with its 17th century corn halls and attractive five-sided communal laundry. The Canal de la Garonne then offers stunning river views, the vineyards gradually giving way to fields of cereal crops and orchards.

Night in Sérignac sur Garonne.

DAY 5: THE CANAL DE LA GARONNE FROM SÉRIGNAC SUR GARONNE TO MOISSAC

Distance: 55km

This stage allows you to discover two beautiful towns of south west France: Agen and Moissac. After orchards of fruit trees so characteristic of the Lot and Garonne, you arrive in Moissac. We invite you to take the time to visit this important town on the path to Santiago de Compostella, listed as a UNESCO World Heritage site.

Night in Moissac.

DAY 6: THE CANAL DE LA GARONNE FROM MOISSAC TO TOULOUSE

Distance: 67km

Your route goes through the charming town of Montech, with its half timbered, red brick houses. As for the cycle path this is along a peaceful "voie verte" or green way, with a good surface and shaded by plane trees.

Your holiday ends upon arrival in Toulouse if you choose the 5 night/6 day trip from Bordeaux to Toulouse.

Option :

If you wish to make the most of being in Toulouse, with time to explore, then we can recommend a B&B which we particularly like. Your host, Olivier, will welcome you into an authentic "Toulousaine" with garden, veranda and elegant salons. Living in Toulouse ourselves, we really want you to like the city as much as we do! Olivier will advise you on the unmissable places to visit as well as some lesser known spots! Night in Toulouse.

Tariff for this option: 50€ per person based on a shared double room. 80€ in a single room. Breakfast included.

NB: If you wish to shorten this day's stage (or avoid the outskirts of Toulouse) then you could consider taking a train from Montauban or Castelnau-d'Estréfonds. We recommend visiting Montauban, a town of art and history.

Please contact us for further details.

□

CANAL DE GARONNE - TOULOUSE BORDEAUX BY BIKE!!!

Andrée - April 2022

We rode the Garonne Canal from Bordeaux to Toulouse on our own electric bikes in 5 stages, stopping at 7 accommodations. The proposed route is excellent; the stages are relatively short, allowing us to take our time visiting nearby villages and attractions. The last stage, however, seemed a bit monotonous, but we had to reach Toulouse. The phone app we use to view the route and track our progress using GPS is great, although it takes a little while to get the hang of it. The choice of accommodations was excellent, with a welcome from our hosts that we will remember forever. Our luggage was waiting for us at each stage. Thank you to the Nature Occitane team.

Dalila - July 2018

New trip along the Canal de Garonne by bike from Bordeaux to Toulouse. We chose this trip of 5 days and are happy to have seen these beautiful places, a part of the Canal de Garonne which you share with walkers following the path to Santiago de Compostella. (GR5). Very good selection of B&Bs, excellent welcome! Well done and a big thank you to Guilhem and his team!
