EQUIPMENT

On the first day, we beat your assistance baggage onto the donkeys at 9am at the meeting point.

You should therefore arrive "ready to hike" (hiking boots on, water bottle full, full rucksack, closed luggage).

YOUR RUCKSACK

It should be able to hold your personal belongings for the day, around 30 litres.

Choose one with a waist belt (so that your weight rests on your pelvis), padded shoulder straps and a chest strap.

Your rucksack should always contain warm clothing, rain gear, a water bottle, a first-aid kit and your personal belongings.

If you don't have a bag cover, a bin bag and two freezer pockets are essential to protect your belongings from the rain.

YOUR LUGGAGE

This is your 'follower' bag, carried by the donkey and returned to you each evening. As well as the extra change, it contains the extras that you'll be glad to get back

(CAUTION: maximum 10 kg per participant).

You need to bring several small bags (ideally 2 bags of 5kg per person) so that you can distribute the weight in the saddlebags carried by the donkeys.

Donkey panniers are not waterproof, so we recommend that you use waterproof bags (or bring plastic bin liners).

Make sure you limit your equipment and bring only what you need.

SHOES

Choose hiking boots with good ankle support and notched but flexible soles.

Shoes are one of the most important elements of your hike.

Above all, they must be comfortable, lightweight, waterproof and breathable.

Good ankle support is essential.

Don't set off in new shoes.

Use them at least two or three times before hiking.

Similarly, make sure that your "old shoes" don't give way on the first ascent.

CLOTHING

A waterproof GORE TEX windproof jacket (poncho-type k-way jackets are outlawed)

A fleece jacket Hiking trousers, shorts, T-shirts (avoid cotton and prefer breathable materials).

A swimming costume and a towel (microfibre towels are preferable, as they are lighter and dry faster).

THE PICNIC

1 individual hermetically sealed box (tupperware type) with a capacity of around 0.6 litres for a salad, cutlery, plate and cup.

SMALL EQUIPMENT

Water bottle (minimum 1.5 litres per person).

Sunglasses and sun cream Hat or cap

A small toilet bag and towel

Flashlight or headlamp (for night-time use)

A pair of tennis shoes or sandals (for the evening)

Toilet paper

Earplugs

A camera

A personal first-aid kit
